

We are excited to announce that Casa Dance Studio will be doing the Nutcracker again for our 2019/2020 Dance Season.

Nutcracker auditions will be held April 7th at 6pm. Dancers must be at least 6 years old to audition. Any dancer 4 & up interested may be part of our Party Scene.

Dancers auditioning will need to perform a dance (one that they create or dance they have already learned) in the style of dance they wish their part to be. This dance must be no longer than a minute.

Dancers interested in lead roles may be asked to demonstrate dance moves while emoting specific emotions.

Nutcracker rehearsals will begin over the summer (NO Saturdays or Sundays) and will run on Saturday afternoons Sept-Dec. The Nutcracker performance will be held towards the end of December.

Dancers who wish to participate in the Nutcracker will have to commit to rehearsals. We will do our best to work around summer schedules.

If you have any questions, please let us now.

All forms must be sent in by April 3rd.
