

Drop-Off and Pick-Up Procedures

**Videos will be sent out next week to demonstrate how drop off/pick up at both buildings will work

Please arrive 5-8 minutes before the start of your class.

****All parents and dancers 3 & up must wear masks once out of the car.**

Main Building Drop-Off

All students must be dropped off at the drop off point in the front of the Main building.

Do NOT cut in line to pull up in front of the studio. You MUST wait in the line.

Students should be sitting on the passenger side so they may get out on that side and go immediately to the check in table.

Upon entering the parking lot follow the arrows to line up in front of the building and down along the side of the studio.

All cars in line at the front of the studio should pull close to the parking spaces. The first car in line should pull up to the designated sign.

Dancers in the first three cars in line will get out of the car and proceed to the check in table.

All students will have their temperature checked before entering the studio.

Please wait for a thumb's up indicator that your dancer's temperature is within normal range before leaving.

Annex Drop-Off

Parents must park at the Annex. Dancers 9 & up may come up to the building and wait for temperature checks. Dancers 8 & under must have parents walk up with them.

Please line up along the front and side of the building, each student at a separate, socially distanced chair.

All students will have their temperature checked before entering the studio.

Parents must wait for the dancer to enter the building before leaving.

Please arrive 4-6 minutes before the end of your class.

Main Building Pick-Up

All parents must park in either the center section or along the tree line.

NO parking along the side of the building.

All parents of students under 12 must come and wait along the front and side of the building while wearing masks and maintaining social distance.

Students will be brought out to their parents.

Students 12 and over may walk to their cars with written parental permission.

When leaving the parking lot, please pull out carefully and join the line.

All students MUST be dropped off and picked up on time. If you are unavoidably running late you must call the studio, 856-845-5788.
