

Hi Everyone,

Below is the **UPDATED** MANDATORY Nationals Rehearsal Schedule. We need everyone to be there for every practice as we only have two weeks to practice the dances with just those going to Nationals with the Fourth of July in the middle of the time. You will not practice with the teacher who choreographed your dance unless there are significant changes to be made. This is to give your dancers a fresh set of eyes to help see the little things the dancers need to fix. Soloists that do not wish to rehearse must let us know ASAP.

We will practice June 27, 28, 29, 30, July 5, 6, 7

If you have not signed up for summer there is a \$65 flat rehearsal for group dances and a \$5 per special dance per rehearsal fee. Soloists can opt out of additional rehearsals. Group, Trio, and Duet rehearsals are mandatory unless your rehearsal teacher says otherwise.

If you are enrolled in Summer Classes you do not need to pay the rehearsal fees.
